0.a. Goal

Goal 17. Strengthen the means of implementing and revitalizing the Global Partnership for Sustainable Development

0.b. Target

17.2 Ensure that developed countries honor all their official development assistance commitments, including the commitment made by many to devote 0.7 percent of their gross national income to aid to developing countries and between 0.15 percent and 0.20 percent for aid to least developed countries, with donors encouraged to consider setting a target of spending at least 0.20 percent of their gross national income helping the least developed countries

0.c. Indicator

17.2.1 Net official development assistance, total amount and amount allocated to least developed countries, as a proportion of gross national income (GNI) of donor countries members of the Development Assistance Committee of the Organization for Economic Co-operation and Development (OECD)
