

## ***0.a. Goal***

Goal 14. Conserve and sustainably use the oceans, seas and marine resources for sustainable development

## ***0.b. Target***

14.7 By 2030, extend the economic benefits of the sustainable exploitation of marine resources to small island developing States and least developed countries, including through sustainable management of fisheries, aquaculture and tourism

## ***0.c. Indicator***

14.7.1. Percentage of GDP represented by sustainable fishing

## ***0.e. Metadata update***

5/1/2020 12:00:00 AM

## ***1.a. Organisation***

ISTEEBU

## ***1.b. Contact person(s)***

NSHIMIRIMANA Florence

## ***1.c. Contact organisation unit***

National Accounting Department

## ***1.d. Contact person function***

ODD team member

## ***1.e. Contact phone***

76108660

## ***1.g. Contact email***

nshimirimanaflorence@gmail.com

## ***2.a. Definition and concepts***

It is the share of the added value of fishing in the GDP

## ***2.b. Unit of measure***

Percentage

## ***3.a. Data sources***

National Accounting department

## ***3.b. Data collection method***

Administrative data

## ***3.c. Data collection calendar***

Annual

## ***3.d. Data release calendar***

Annual

## ***3.e. Data providers***

ISTEEBU

## ***3.f. Data compilers***

ISTEEBU

## ***3.g. Institutional mandate***

ISTEEBU is the body recognized by the Burundian government for the collection, processing and dissemination of official statistics helping in planning and decision-making.

## ***4.a. Rationale***

The indicator is relevant because it makes it possible to determine the main macroeconomic aggregates

## ***4.b. Comment and limitations***

The exhaustiveness of this indicator depends on the regularity and completeness of data collection in the fishing sector.

#### ***4.c. Method of computation***

Determination of the proportion of the added value of fishing in the GDP

#### ***4.d. Validation***

This indicator is validated internally and at CTIS level

### ***5. Data availability and disaggregation***

Available nationally
