

0.a. Goal

Goal 10. Reduce inequalities within and across countries

0.b. Target

10.b Stimulate official development assistance and financial flows, including foreign direct investment, to states most in need, in particular least developed countries, African countries, small states developing islanders and landlocked developing countries, in accordance with their national plans and programs

0.c. Indicator

10.b.1 Total amount of resources allocated to development, by recipient country and donor and type of contribution (official development assistance, foreign direct investment and others) (in millions of USD)

0.e. Metadata update

5/1/2020 12:00:00 AM

1.a. Organisation

Organisation for Economic Co-operation and Development

1.b. Contact person(s)

Emmanuel NIYONKURU

1.c. Contact organisation unit

statistical service of the Ministry of Trade, Industry and Tourism

1.d. Contact person function

SDG focal point at MCIT

1.e. Contact phone

(+257) 72204683

1.g. Contact email

emmanuelniyonkuru20@yahoo.com

2.a. Definition and concepts

Total amount of resources allocated to development, by recipient and donor country and type of contribution include official development assistance, other official flows and private flows.

3.a. Data sources

Administrative data

3.b. Data collection method

data collected daily

3.c. Data collection calendar

every year

3.d. Data release calendar

annually

3.e. Data providers

OECD

3.g. Institutional mandate

The statistics and planning departments of the ministries are responsible for compiling data from their ministries for the calculation of indicators at the national level.

4.a. Rationale

The indicator is relevant because it reports it quantifies the overall spending that donors provide to developing countries.

4.b. Comment and limitations

Completeness in data collection is difficult to achieve

4.c. Method of computation

The sum of official and private flows from all donors to developing countries.

4.d. Validation

Internal validation and by the technical committee for statistical information (CTIS)

5. Data availability and disaggregation

Data are available at national level

7. References and Documentation

OECD report
