

0.a. Goal

Objective 15. Preserve and restore terrestrial ecosystems, ensuring that they are used in a sustainable manner, sustainably manage forests, fight against desertification, halt and reverse the process of land degradation and put an end to the loss of biodiversity

0.b. Target

15.a Mobilize financial resources from all sources and significantly increase them to preserve biodiversity and ecosystems and use them sustainably

0.c. Indicator

15.a.1 Official development assistance and public expenditure devoted to the preservation and sustainable use of biodiversity and ecosystems (in millions of USD)

1.a. Organisation

National Aid Coordination Committee (CNCA)

1.b. Contact person(s)

MIBURO Cyriaque

1.c. Contact organisation unit

Statistical service

1.d. Contact person function

SDG focal point within the CNCA

1.e. Contact phone

79451520

1.g. Contact email

cyrimibu@yahoo.fr

2.a. Definition and concepts

This is the amount of public development assistance and public spending devoted to the preservation and sustainable use of biodiversity and ecosystems

2.b. Unit of measure

Millions of USD

3.a. Data sources

CNCA

3.b. Data collection method

Administrative data

3.c. Data collection calendar

Annual

3.d. Data release calendar

Annual

3.e. Data providers

OCEDE

3.f. Data compilers

OECD

3.g. Institutional mandate

Collect, compile and disseminate data on aid

4.a. Rationale

The indicator is relevant because it reflects the management of aid

4.b. Comment and limitations

The completeness of this indicator depends on regular data collection

4.c. Method of computation

Determination of the amount of official development assistance and public expenditure devoted to the preservation and sustainable use of biodiversity and ecosystems in millions of USD

4.d. Validation

Ratio of the area of natural mountain ecosystems found in the country's protected areas to the total area of the country, expressed as a percentage.

5. Data availability and disaggregation

Available nationally

7. References and Documentation

OECD website
